External Links

This website contains links to other websites that are subject to the liability of their respective operators. At the time of linking on our website, no legal violations were apparent. Continuous monitoring of linked content without specific indications is not feasible. However, these links will be removed immediately upon notification of any legal violation.

Copyright and Trademark Law

All brands and trademarks mentioned within the online offering and, where applicable, protected by third parties, are subject without restriction to the provisions of the applicable trademark law and the ownership rights of the registered owners. The mere mention of trademarks does not imply that they are not protected by the rights of third parties. Copyright for objects created and published by the author remains solely with the author of these pages. Reproduction or use of such graphics and texts in other electronic or printed publications is not permitted without the express consent of the author.

Legal Validity of this Disclaimer

This disclaimer is to be regarded as part of the online offering from which reference to this page was made. Should parts or individual phrases of this text not, no longer, or not completely comply with the current legal situation, the remaining parts of the document shall remain unaffected in their content and validity.
